

IGI Global Pricing Document for Bavarian Consortium Institutions

2024-2025

Outline

This pricing document outlines the straightforward pricing options available to all German institutions through the Bavarian Consortium. These options can be purchased directly from IGI Global or through an agent.

In consultation with the Bavarian Consortium, IGI Global has created a variety of offerings, including DRM-free options for various **EBA** and **Perpetual** access plans. These plans cover IGI Global's Full e-Book Collection as well as three fundamental academic area collections:

Business & Management, Scientific, Technical, & Medical (STM), and Education.
